Downtown Clean & Safe Team Spreads Valentine's Day Cheer

The Duluth Downtown Waterfront District Clean & Safe Team is bringing back a Valentine's Day tradition. For the thirteenth year, they'll be spreading a special message of cheer with residents, employees and visitors they encounter in the skywalk system on Thursday, **February 14th**.

Team members will be handing out about 500 boxes of conversation candy hearts in celebration of Valentine's Day. And printed on the outside of the box is the message: "We LOVE having you in the Downtown Waterfront."

"It's a great way to let people know we appreciate their support of the downtown, plus it puts a smile on everyone's face," said Kristi Stokes of the Greater Downtown Council.

The Clean & Safe Team was created in 2005 to provide hospitality, supplemental safety and cleaning services. They are recognized for their highly visible safety-green and navy uniforms. Both the Team and the Duluth Downtown Waterfront District are managed by the Greater Downtown Council.

Photo Opportunity:

Team members will be handing out candy in the skywalk system during the morning commute from 7:00-8:00am and again from 10:30am-1pm. Please call 218-390-8899 for their exact location.
