### **Downtown Clean & Safe Team Spreads Valentine's Day Cheer**

The Duluth Downtown Waterfront District Clean & Safe Team will be sharing a special message with residents, employees and visitors they encounter on **Friday, February 12<sup>th</sup>**.

Team members will be handing out nearly 500 boxes of candy hearts in celebration of Valentine's Day. And printed on the outside of the boxes is the message "We LOVE Having You in the Downtown Waterfront."

This is the tenth year that the Clean & Safe Team has taken to the sidewalks and skywalks to share its message and thank people for supporting the Downtown.

"We enjoy working in the downtown and this is a great way to spread some cheer," said DDWD Operations Manager Jim Janousek.

The Clean & Safe Team was created in 2005 to provide hospitality, supplemental safety and cleaning services. They are recognized for their highly visible safety-green and navy uniforms. Both the Team and the Duluth Downtown Waterfront District are managed by the Greater Downtown Council.
