Restaurant Week Returns to Downtown Duluth

For the seventh year, the Greater Downtown Council is pleased to announce “Eat Downtown—Duluth Restaurant Week” starting this Sunday, March 6th.

One of the greatest strengths of Duluth’s Downtown Waterfront is the unique selection and quality of restaurants. Once again, many of them have teamed up to offer multi-course, fixed price menus.

Eat Downtown continues to grow as word spreads and popularity increases. **A participation record** – twenty-two (22) of our local downtown waterfront restaurants will be offering a special menu with \$10 lunches and \$25 dinners (some will even offer dinner for two at \$25). Get to downtownduluth.com and click on the Eat Downtown icon to start planning your lunch meetings and dinner dates now— all for one price!

Come on out and enjoy “Eat Downtown” March 6th – 12th.

Additionally, check out the Greater Downtown Council’s Facebook page for your chance to win a three month membership at the YMCA, the place to be after a week of delicious dining.
