

Tag Us With Your Take-Out Photos!

Let's show some love to our Downtown Waterfront District Restaurants! Tag Us With Your Take-Out Photos as you support our member restaurants that are offering take-out and/or delivery. The GDC is purchasing gift cards from the restaurants below and we'll be selecting random posts that have tagged both the restaurant and us. We'll be drawing names next Friday, so call up, order online, and then post about supporting your local faves for a chance to win!
